WILSON & MORGAN BARREL SELECTION

Classic Selection

Clynelish 1997

"Marsala Finish - 2nd Release"

Every year our customers seem to enjoy our Marsala finished Clynelish so much, that we run out of stock with every new release in so little time! So, following on the tracks of last years' edition, we are happy to offer you more of the same delicious specialty that Wilson & Morgan is so proud of. What more can be said about the effect of Marsala casks on Clynelish, other than it's a brilliant match? At the same time sweet and dry, creamy and nutty, it's a robust yet delicate malt. The array of contrasting aromas (chestnut honey, wax, mustard, red apples, pears, dried hay) will win your heart at the first sip: have a taste for yourself, and discover why everybody loves our Marsala finish!
