WILSON & MORGAN BARREL SELECTION

House Range

House Malt

Our beloved classic... our Islay malt with flavour, intensity, richness... but also elegance, velvety smoothness, malty sweetness and creamy mouthfeel. Little more can be said about this edition compared to previous ones: its smoky and ashy aromas are fascinating, but they are only the beginning of the journey. Soon the notes of vanilla, bananas, honey, peanuts and sweet liquorice round off the edges of the intense Islay character, and the result is perfect both for hardened peat lovers and beginners. This edition is, in our opinion, even more delicate and smooth in the finale compared to previous ones. A classic, not to be missed.
