Bunnahabhain

25yo

"Sherry Finish PX"

Very rich, luxurious and fruity, this is the ultimate after-dinner Bunnahabhain. The five years spent in PX Sherry Casks have added fruity and honeyed notes to the flowery gentleness of the whisky, but in spite of the undeniable raisiny touch and the creamy sweetness, it still is a malt in the very classic style of this distillery. The notes of beeswax and the slightly leathery and earthy hint are the trademarks of the very best whiskies from Bunnahabhain, and a testament to the very delicate, almost imperceptible use of peat smoke in the malt they use for distillation. Presented as a unique limited edition in a Glencairn Decanter, as a homage to the last and best casks from this vintage.
