SELECTION

**Glenrothes 2006-16 1st Fill Sherry Wood**

A full bodied, richly fruity and intense Speyside malt fully matured in Oloroso sherry casks, traditionally the best choice for enhancing the robust style of distillate from this area of Scotland. A special edition from a vatting of three butts with complementary flavour profiles, to reach the perfect balance between malty sweetness, winery character, flowery aromas, autumnal nuttiness and summery red fruits. Retaining a very marked robustness even when adding a tiny drop of water for a more leisurely enjoyment, it is a classically styled malt from this distillery, biscuity but without any hint of cloying sweetness: the firm mineral character and the dry and peppery finish are just the right complement to guarantee complexity and multi-dimensionality. A fantastic after-dinner malt, to be savoured slowly.

**Distilled: 2006**  
**Bottled: 2016**  
**Vol: 48%**  
**Outturn: 2544**  
**Code: W&M242**
